To whom it may concern,

My means of this document I hereby advise that I know Mr Diego Balagna in detail and can assure that he is a person who is of integrity, stable and completely responsible. He is also competent with any tasks that are assigned to him.

Mr Diego Balagna was an outstanding student of the faculty in which I am an Associate Professor. He studied Architecture I to V, after which he was invited to stay on to take the role of academic staff in the same course. He worked to develop the university in his role as Architecture assistant over a two-year period and subsequently as a lecturer in Architecture over three years.

As a result of the aforementioned, I have no doubt in thoroughly recommending him. Furthermore I wish to thank him for his service and work with us.

Sincerely,

Rafael Hugo Salama (Architect)
